MESQUITE HIGH SCHOOL

Construction of Mesquite High School is over. The past dreams of a new library, vocational building, science and homemaking labs, and a beautiful landscape are now realities.

Our school has been dedicated to the task of educating future generations of Mesquite students. It is our hope that these students will also be dedicated to the task of constantly improving themselves and their school. With our marvelous facilities and a deep dedication, Mesquite High School can be the best school in the country.

The next few pages contain some new views of our new campus. We hope you will remember and enjoy these pictures of Mesquite High School—1968.

Foreword

The theme of the 1968 edition of the MESQUITE-O is progress. To progress is to advance, to grow, to develop, to improve. We hope that the students of Mesquite High as a whole and as individuals will continue to move forward for a better school and a better world.

This book contains the face of Mesquite High School in 1968. We hope that each one who turns the pages will remember the many moments of the past year. Let us do the remembering, the looking back, for you in this yearbook, while you progress toward the future.

We Dedicate the 1968 Mesquite-O to Mrs. Marie Avery

Mrs. Avery is known to most of her students as "Señora Profesora." She teaches her Spanish classes with enthusiasm and interest. More than her brilliant knowledge of the language, however, the Spanish students remember her pleasant smile and mild temperament. Outside the classroom, Mrs. Avery takes on the task of a Student Council sponsor. She has worked hard with this organization, helping students with the activities and affairs of a student government. Mrs. Avery is also a counselor to her students as a class or as an individual. Because she possesses the qualities of a great teacher, and because she has used them so well, we proudly dedicate this yearbook to Mrs. Marie Avery.

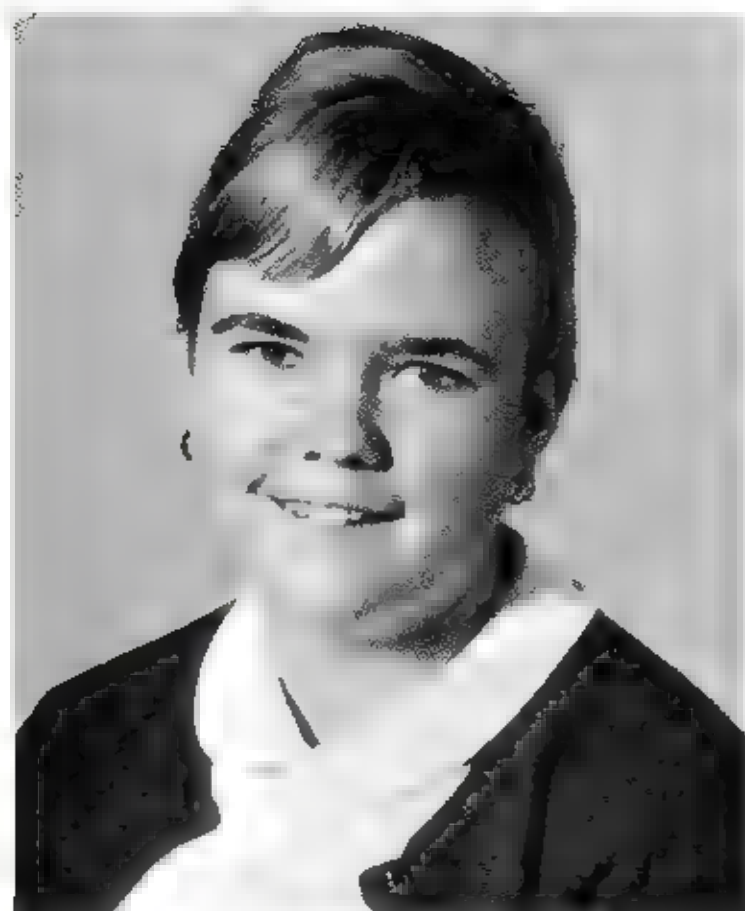

In Memoriam

MR. WALTER FLOYD

Mr. Walter Floyd, assistant superintendent in charge of the elementary schools, died on October 10 from a heart condition. Mr. Floyd had been with the Mesquite School System for 11 years. During that time he rose from teacher to principal of M. B. Lamar to assistant superintendent. Those who knew Mr. Floyd personally were greatly saddened by his death. His presence will be sorely missed by all.

MISS GRACE NADINE BROWN

Tragedy struck in Mesquite during the rush-hour on November 9 when this 15-year-old Mesquite High School sophomore, Grace Nadine Brown, was killed as a train slammed into the car in which she was a passenger. Miss Brown was a new student to Mesquite and to Mesquite High School. She was a member of the marching band and was well-liked by those who knew her. All of the student body of Mesquite was saddened by her death, and she will be missed by many.

CLIMBING THE LADDER OF SUCCESS

The following pages contain the smiling faces of those gruvy people who have completed the first step toward a successful future. The high school education is a big step, but it is only the first one. May PROGRESS always be your by-word, may your future be the best, may the bird of paradise fly up your nose, may is the fifth month of the year, may . . .

Junior Skeeter Guard Members. They really look gruvy don't they? They'll look even better next year when they are Seniors.

How about this the "Psycadillic Combo".

The Powder Puff Football Game was a success for the Seniors as in the picture shown.

Hippies of the year ...

SOPHOMORES

Sophomores —

Take a Giant Step Outside Your Window.

These Sophomore officers, stepping outside the "A" building window, symbolize the awakening of the lower class into a larger world. The Sophs have made successfully the transition from junior high to high school, and we hope that they continue to progress to higher goals.

The Reserve Officers

This year marked the first year of the Reserve Officers Training Corps at Mesquite High School. The Corps' first year has to be considered a very successful one because of the honors that this large group won. The ROTC was awarded a special honor rating which is very good for a first year group and the award should be held with pride by all. Also, the Corps' first year had been exciting to all who participated. Mesquite High School was fortunate to have a Rifle Drill Team that was very well organized and performed with pride, dignity, and honor. The Corps is a large and important organization in the school. We of the 1968 Mesquite-O staff salute the Reserve Officers Training Corps in its first year and for proving the school motto of "Progress".

Training Corps

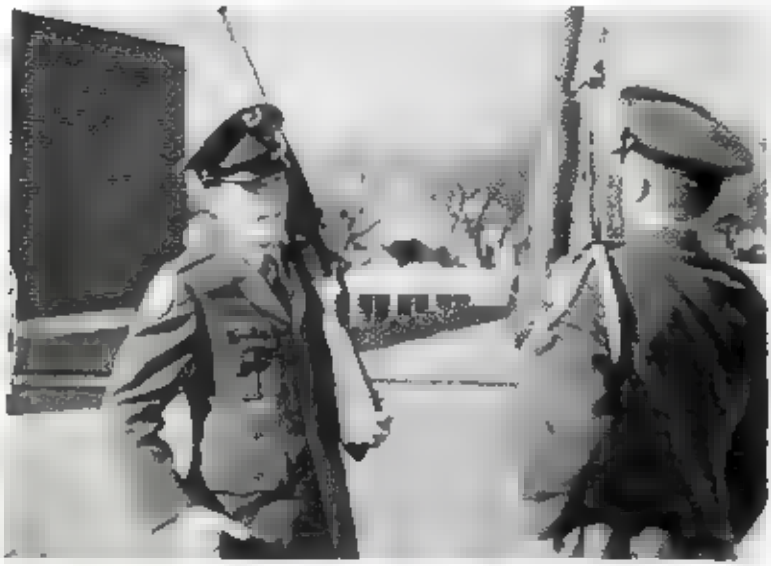

Progress Said Good for '68 Cadet Corps

"We are pleased with the progress of the cadet corps", said Colonel George Cooper, recalling the events of ROTC's initial year.

The ROTC has participated in several competitions this year such as the 4th Army Marksmanship Rifle Matches and Drill team Competition and a Dallas area Drill Team competition. The Mesquite ROTC plans to continue participation in these and other activities next year.

Ken Smith and Claude Stevens go through the paces of a rifle drill.

The sergeant seems to be giving our cameraman a leery look. Could our photographer be up for the draft?

Sergeant Price demonstrates the care and handling of a rifle, the cadet's best friend.

Col. Cooper inspects the company and seems to be pleased with his troops.

These cadets practice to become expert marksmen in order that they can receive their marksmanship medal.

Cagers Win!

The Fighting Skeeters brought home another victory Tuesday night by defeating the St. Mark's Lions, 81-76.

John McGlothlin in the process of leading his team in scoring with 19, brought down many precious rebounds.

The first quarter scoring went as usual with the Skeeters drawing first blood. Some timely baskets by Layne and Robert Borders kept the Skeeters ahead throughout most of the first period. The score at the end of the first quarter was 30-27 in favor of the Lions.

The second period opened rather slowly with the Skeeters missing seven straight shots and the Lions missing five, but suddenly the Lions caught fire and ripped the nets for 19.

Lamm Highlights 1968

Ties District Record

Bill Lamm won the District 8AAAA 120-yard high hurdle championship at Richardson this year with a time of 14.2 seconds. This time tied the present district record for this event. Bill, a senior student, had bad luck at a rainy regional meet, running only 14.9. Bill plans to run hurdles at college where his probable major will be pre-law.

ACTIVITIES

Spirit Heated by Bonfire

As the Maharishi says: One bonfire can make a million

matches, but one match can't make a million bonfires.

The Seniors won the annual build-a-bonfire contest by hauling more wood than the Jrs. or the Sophs. The bonfire is used to kick off Homecoming events.

Land of Oz Creates Delight

Dorothy (Scottye Day) and her dog Toto (Donna Day) land in Munchkinland and are greeted by Good Witch Melinda (Pat West).

The Munchkins are Kathy Williams, Ronnie Graham, Dianne Upchurch, and Roger Barringer.

The speech and drama students of Mesquite High school, under the direction of Mrs. Sue Braden, presented "The Wizard of Oz" to elementary students of Mesquite. The second annual children's theater and the one night performance were big successes.

Dorothy and Toto soon meet with the Scarecrow (Tommy Hooper), the Cowardly Lion (Tom Tanksley), and the Woodsman (Bill Dossett).

On the Yellow Brick Road, the travelers pass the Poppies (Suzette Anderson, Carol Galvin, Francis White, Darlene Rhodes, and Carolyn Ladd.)

Belinda, the Wicked Witch, (Marsha Griffin) tries to scare Dorothy out of her shoes.

Verdo (James Nelson) and Jade (Andrea Graham) are Oz's servants.

The travelers discover the real Wizard (Jeff Ignatowicz).

Dorothy wishes herself back to Kansas.

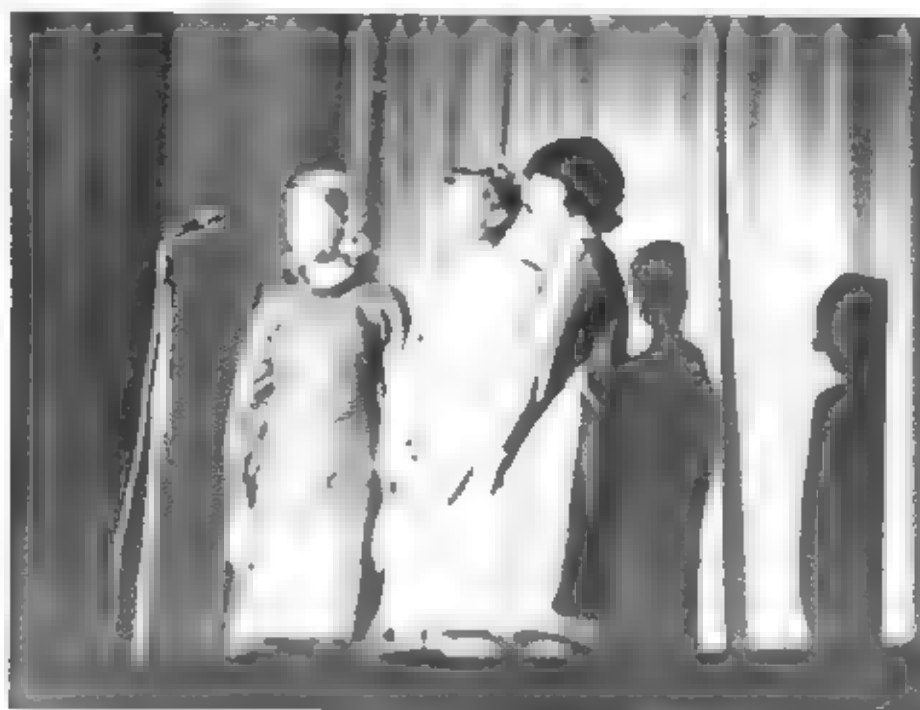

Talent Show Boosts Budget

The singing scientists (Steve Leake and Tommy Hooper), Dr. Finsdale (Benny Barrett) and scientist (Robert Mozelewski).

Washington

Evacuation Uncertain

Students under the direction of Mrs. Sue Braden and Mr. Daniel Brantley staged the wonderful musical comedy, "Lil Abner" in the Mesquite High School Auditorium. The production ran for two thrilling performances and was enjoyed by all. Mrs. Donna Porter's art students did the scenery.

"Progress is the root of all evil," says General Bullmoose (Pete Waddell).

Dawson Heads Talent

Dave welcomes everyone to the soul show.

Ronnie Dawson, a professional singer from the Levee, was the feature star of the Student Council Talent Show. Ronnie sang such greats as "Going Out of My Head" and "Did You Ever Have to Make Up Your Mind." The other talent was also marvelous. Result—one of the best shows Mesquite High has seen in years.

Wind!

The formal event of the year was held at the Statler Hilton Hotel in Dallas. The Junior Class of 1968 did an excellent job in hosting their upperclassmen to a Southern Ball. After prom activities were sponsored by the Mesquite Recreation Board.

Tommy didn't say a word all night.

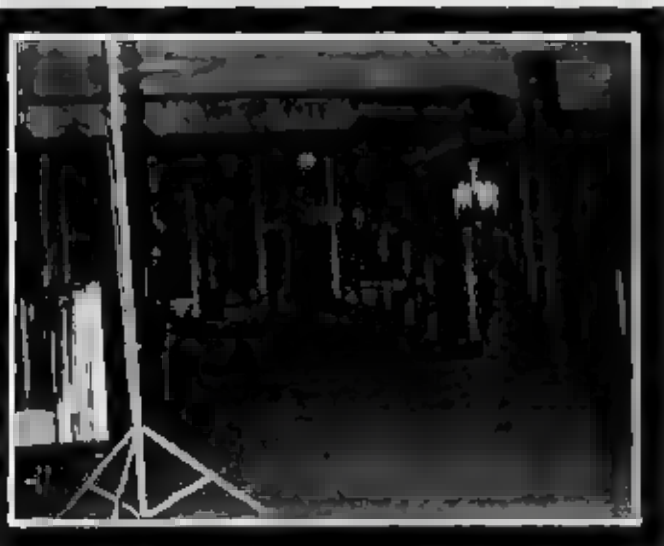

How are things at the chorus table?

Bill, one of the more aggressive bachelors, had two dates to the prom.

Jerry kindly helps the waiter serve the capon.

Are you sure this is the place?

Such alert fellows ... wonder what keeps them going?

Seniors Rule!!

The Mayor and Council take the oaths of office from Mayor George Boyce.

The annual Government Day in Mesquite was again a success as senior students invaded city hall. They filled all public offices and ruled for the day. All the seniors learned much about city government from this event.

The man behind the scene pulling the strings, Mr. Bob Clayton.

A meeting of the new city council.

Gary Ward was city manager.

Marsha and Johnny were two of the council members.

Wayne and Bruce handled the law enforcement on this fateful day.

Ricky Oats was appointed fire captain.

Weather Doesn't Dampen Spirit

Despite the rain on Senior Day, students were still in high spirits, except the golfers. The freezing water had plenty of swimmers, and the food was consumed heartily. The Coachmen helped end the day in style with great music.

Oh, what a beautiful morning!

Graduation

Supt. Ralph Poteet Speaks

Because of the large size of the graduating class, Supt. Poteet replaced a regular guest speaker to talk briefly to the graduates and guests. The valedictorian and salutatorian, Marsha Griffin and Eddie Corbitt, gave their speeches along with the presentation of the class gift by Senior Class President Bill Dossett. Mr. Harold Jordan, School Board president, then handed out the diplomas. The recessional was played by the MHS band.

Mr. Poteet addresses the class of '68 and several thousand personal friends and relatives.

Mr. Thompson, Mrs. Dyer, and Mr. Woolley after it's over.

In the salutatory speech, Eddie calls the graduating class "the leaders of today."

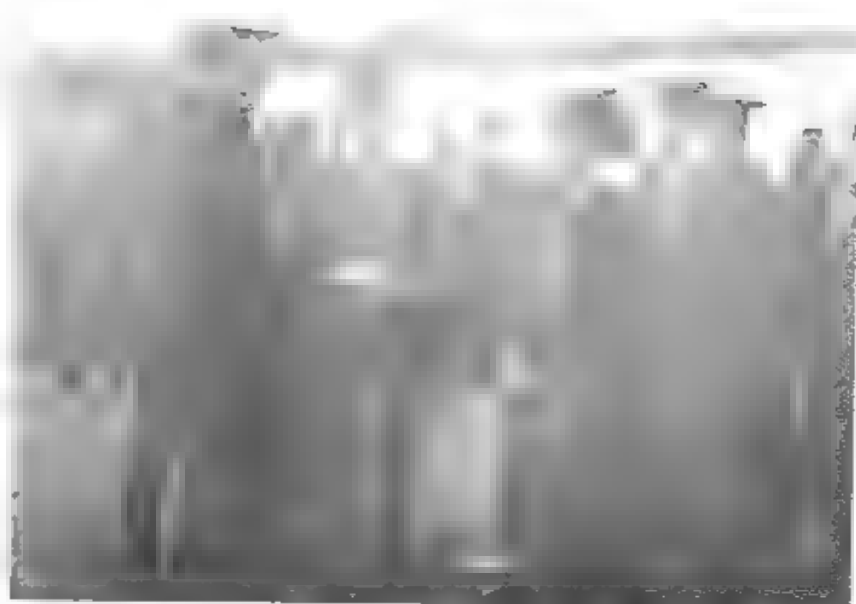

Valedictorian Marsha Griffin challenges class to be the best.

Roger shows his approval of the night's happenings.

Mr. Woolley makes final line check.

Last Senior Activity Held at Forest Hollow

Steve gives the Peace sign to everyone in general.

Donna thought it was a costume party so she came disguised as a mummy.

This was the last official groove of the class of '68.

The 1968 Senior Luau was held at Forest Hollow Country Club in Dallas. Around 200 people ate, swam, and danced at the luau after graduation ceremonies. The DeValls provided the music.

Bill decides his hair could stand some work.

Continuing Edison's Research for Better Living...*Electrically*

The creative genius of Thomas Edison gave the world the first practical means of large-scale production, distribution and use of electric power.

Since Edison perfected the incandescent light and built the Pearl Street Generating Station in New York City, the research and development efforts of other men have resulted in thousands of electrically-operated devices and the facilities necessary to keep pace with an ever-increasing demand for electricity.

Today, investor-owned electric utility companies such as Texas Power & Light continue the search for more efficient and more economical ways to produce and supply electric power and thus to help assure better living ... electrically.

I'm the only
friend and a kick of
a good guy. He's a kick
for the future. See you
soon p.
John Roper

Well
I'm a really
great guy. I
know you like
very much the
everything.
Love,
John Roper

Well, I have
enjoyed every moment
of our friendship
and I hope it lasts
forever. Good
luck! Love

Well,
it's in a great
position. I hope
we can always
remember the
good times.
